# 125<sup>th</sup> ANNIVERSARY OF UKRAINIAN IMMIGRATION TO CANADA

*In 1891, the first Ukrainian immigrants made the difficult journey to Canada seeking a new life of cultural and economic freedom. Those original pioneers and the many waves of Ukrainians who have since made the same journey have contributed to building a strong, culturally rich and vibrant Canada.*

*The Ukrainian community in Saskatoon is marking this special anniversary at several special events in and around Saskatoon. The Government of Saskatchewan has also declared that 2016 is the year of Saskatchewan Ukrainians.*
